# T2 FLATBOXES

# Finish Fast

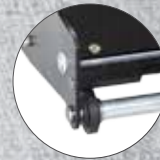

T2 Boxes apply compound to flat joints, producing the perfect crown and feather. They're manufactured using high quality materials like anodised aluminium and stainless steel making them tough, hard wearing and attractive. The T2 range comprises of 200mm, 250mm and 300mm sized boxes which are compatible with most Flat Box Handles.

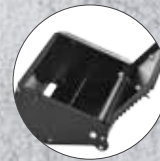

Tough anodised, marine grade aluminium box body

Easy to use coat setting dial

Fixed axle with wheels positioned inside blade width

Fast cleaning with easy access

Compatible with the Tapepro Recess Plate (200mm only) and the Flat Box Bead Guides
