

Black Widow® Pro Sanding Block Trim-Tex 885PRO

The Black Widow® Pro Sanding Block is trusted by plasterboard professionals who demand speed, precision and a flawless finish. This upgraded Trim-Tex classic features a sturdy resin body for reliable sanding power; dual 100/120 grits; dual patented radius edges, preventing accidental scuffs and gouging; and dual tapered edges for detail work. Lightweight, durable and precise, it brings dependable Black Widow performance to every corner of your project.
