

## WALLBOARD TOOLS - TK / TKS RANGE

# TIMBER HANDLE TAPING KNIVES

REINFORCED STEEL BLADE MOUNTING

FULLY CONTOURED HARDWOOD TIMBER HANDLE

TK RANGE  
BLUE STEEL

TKS RANGE  
STAINLESS STEEL

Wallboard Tools timber handled taping knives are engineered for durability, balance and control. Each blade is securely mounted with a reinforced steel backing ridge to deliver strength and rigidity exactly where it's needed, while maintaining a lightweight, well-balanced feel in hand. The fully contoured hardwood timber handle offers a comfortable, natural grip, making these knives ideal for precise, all-day use.
