72-4150 Inside Archway Bead

TRIM-TEX
DRYWALL PRODUCTS

***Perfect for all types
of internal curves
including inside
wall niches***

Trim-Tex 90° Inside Archway Bead is ideal for archways, and other free flowing curved forms. The engineered tabs give it great flexibility with a 900mm inside and outside radius. It's designed to create sharp inside corners that are straighter and sharper than paper tape for crisp straight lines.
