# POWER SANDING SOLUTIONS

## WALLBOARD SUPER PADS

SP-\*\*\*

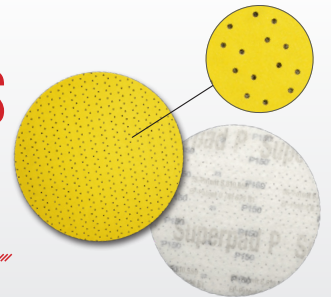

Wallboard Super Pads are tough and perfect for any size sanding job. The high quality abrasive paper surface and attached backing loop of the super pad provides an excellent cushioned sanding pad that minimises scratches while delivering a great surface finish.

- Sold in both 5 Pack and 25 Packs
- Available in 120,150,180 and 220 grits

## JSD SUPER PADS

JSD-\*\*\*

Made in Germany

Produce a quality sanding finish with Wallboard's German made sanding discs. Made from high quality perforated paper the fully cushioned pad reduces swirl marks for fast, even power sanding.

- Sold in both 5 Pack and 25 Packs
- Available in 100, 120, 150, 180 and 220 grits

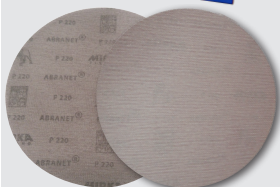

## WALLBOARD SUPER MESH

SM-\*\*\*

Made in Finland

Super Mesh is a revolutionary sanding product for power sanding that produces a superior surface finish. These discs have 1000's of holes that improve the pads resistance to clogging. The design of Super Mesh helps to minimise wear, while maintaining optimum sanding conditions.

- Sold in both 5 Pack and 25 Packs
- Available in 180, 220, 240 & 320 grits

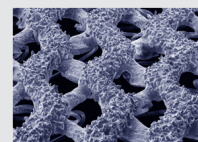

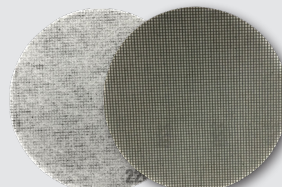

## JSM MESH DISC

JSM-\*\*\*

Made in Germany

JSM Mesh discs are produced from hard wearing material with an open design that provides great dust extraction from the 100's of holes. JSM Mesh discs are a long-lasting sanding solution specially designed for use with power sanders.

- Sold in both 5 Pack and 25 Packs
- Available in 220 grit

Aluminium oxide grain Resin over resin bonding

## FAST, FLEXIBLE SANDING POWER SANDER

The Wallpro Power Sander has great balance and comfortable grips with a unique full movement swivel head – no inefficient screw adjustment. It has an advanced soft start motor with variable speed 650-1600RPM and powerful 550W motor. This heavy-duty plasterboard sander is designed with the user in mind. The universal connection will fit to any industrial dust extractor and when operated in conjunction, will result in a virtually dust free sanding environment.

## MORE REACH, GREATER FLEXIBILITY EXTENDA SANDER

This economical sander is packed with functional features but more importantly its ability to deliver a smooth surface finish is paramount with its solid hook and loop backing providing a firm even sanding platform. The Extenda Sander has the ability to reduce weight at the head via the variable suction control and the extra reach from the extendable design is perfect for sanding those high ceilings. Switching from ceilings to walls is simple with the flexible head and it all packs away into the sturdy hard case for easy transportation.
