Caulking Gun

CAULK THE SERIOUS WAY

Faster and more powerful than ever. The 605L model Wallpro™ Caulking Gun is now compatible with the powerful 18v, 3.0Ah Wallpro™ battery packs. These batteries have a 1 hour fast charge cycle with auto cut off. The increase in battery size has resulted in the expel force of the gun almost doubling. The Wallpro™ Caulking Gun is compatible with both cartridges or sausages and will discharge 230x 310g tubes of mastic or 75x 950g sausages of fire caulk on a fully charged battery.
