FLAT BOX HANDLES™

## Flat Box Handle Brakeless

After a simple and economical handle to fit to your flat box? Then this Tapepro Brakeless model is for you. Simply tighten the dial and it's ready for use. The friction brake design makes it easy to master and with the handle weighing less than 1kg, it will help to reduce physical fatigue. Did we mention it looks great paired with the Tapepro T2 Flat Box?

750g

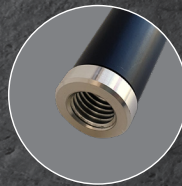

Light weight

Friction brake design

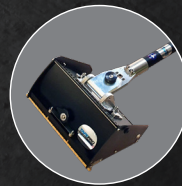

Economical solution

Screw in extension

Set dial and go

Pairs well with T2 Boxes
