WIDE VIEW HEAD LAMP

Wallboard's Wide View Head Lamp gives you a full 230° of bright illumination. With 350 lumens, nothing will be left in the dark! It has an easy control button on the left side to switch through the 5 available modes, and a sensor option that allows you to turn the light on and off with the simple wave of your hand! Get up to 3 hours when using 100% Wide View COB LED and up to 8 hours when using the side beam XPE LED light.
