## SUPERLITE FLAT BOX HANDLES

# ProReach® Extendable Handle

Is this the best-looking Extendable Flat Box Handle ever... But it's not just about appearances; being lightweight and robust this handle's performance is exceptional. The SuperLite ProReach Extendable Handle is almost 15% lighter than it's aluminium-tubed counterpart making easier work for the user. The warm non-slip feel of the carbon fibre is possibly the handle's greatest feature. These handles are compatible with most flat box brands.

Improved pressed and screwed handle to head connection

Precision machined head assembly

Filament wound carbon fibre tube for non-slip grip

Reliable "all position" brake

Lighter weight stainless steel pivot pin

Extends from 980mm to 1600mm

Designed and made in Australia

Handle almost 15% lighter than FHX

4 set locking points
